

How to Earn a Press Incentive

Thank you for your interest in organizing a Global Awareness presentation in your community! Once you complete your presentation you have the opportunity to earn a press incentive by giving us some information about your experience.

To earn this incentive please provide the following:

- A photo of you conducting your presentation (please be sure there are no faces of any children in your photo).
- A write up of your experience. This write up should:
 - Be approximately 250 words long.
 - Include the name of the school or location where you conducted your presentation.
 - List how many children attended your presentation and their ages.
 - Include any activities that you prepared for the children who attended your presentation.
 - Explain what you learned from conducting this presentation.

You can submit your photo and write up to globalawareness@aifs.com. Once your photo and write up have been approved you will receive a \$25 gift card.

Good luck on your presentation and thank you in advance for contributions to the Global Awareness program!
